

Irvine Prevention Coalition and Irvine Unified Council PTA Present:

Social and Emotional Health on IUSD Campuses:

How and To Whom Can Students Reach Out?

Thursday, October 4, 2018

6:30 – 8:00 pm

IUSD Board Room, 5050 Barranca Parkway

Join us for a discussion about the social and emotional health of student in our schools.

- Here from the IUSD Office of Prevention and Intervention about the data collected and the issues that are consistently coming up for students.
- Hear from Wellness Coordinators about what they see is happening on campus and how they reach out and respond to students.
- Learn what resources are available to students and how we can encourage students to reach out if they, or a friend they know, are in need of help.
- Learn about the new IUSD campaign - Speak Up, We Care.
- Come prepared with questions.
